MATER DEI
COLLEGE
FAITH WITH COURAGE

Dear Caregivers,

We are pleased to announce the continuation of the Mater Dei College Sibling Discount Scheme, designed to offer financial relief to families with multiple children attending concurrently at Mater Dei College and one of our associated primary schools:
St. Anthony's Wanneroo; St. Elizabeth's Catholic Primary; St. John Paul II Catholic Primary and St. Luke's Catholic Primary School.

What is the Cross Schools Sibling Discount Scheme?
The Cross Schools Sibling Discount Scheme is aimed at making quality education more affordable for families with more than one child in our schools. This initiative provides a tuition fee reduction for students in PP to Year 6 attending one of the primary schools listed above, who also have siblings enrolled concurrently at Mater Dei College.

Eligibility:
To qualify for the Sibling Discount Scheme, families must have children concurrently enrolled at both Mater Dei College and one of the specified primary schools in Pre-Primary to Year 6. For example, if you have one child enrolled at Mater Dei College and another at St Elizabeth's Catholic Primary School, you will receive a 20% discount on the tuition fees for St Elizabeth's.

How to Apply:
To apply for the sibling discount, please contact the administrative office at your child's primary school and complete the required form **on or before 30th November 2026**. Once your enrolment is confirmed across the schools, the sibling discount will be applied to your 2027 School Fees.

We hope this program helps make education more accessible and affordable for your family.

If you have any questions or need further information, please don't hesitate to reach out to the administrative offices listed below.
